

EC-200 Paging Microphone

Features

- Easy to use, suitable for different requirement
- Support terminal plug & play function
- Output impedance is 200Ω
- The Range of Frequency is 50~12000Hz

Description

EC-200 is a 50~12000Hz Paging Microphone. Easy to use, suitable for different requirement. Output impedance is 200Ω. Support terminal plug & play function.

Specification

Model	EC200
Frequent Response	50~12000Hz
Sensitivity	-55dB
Dispersion	Heart Shape
Output Impedance	≤200Ω
Dimension	420x150x150mm
Weight	1.4kg
